

# Control Risk Group (RSG)

Two people from the →[Control Risk Group](#) were dispatched to Praia da Luz some time between 5th and 11th May 2007.

They were:

- Kenneth Farrow - Director of Fraud Services
- Michael Keenan - Associate Director Fraud Investigations (needs research as his linked profile says he worked there til October 2006).

It is possible that Control Risk Group were retained by [Bell Pottinger](#) as part of their crisis management team.

---

This will need some more research:

- There is info about this in Kate McCann's book.
- just showed up, through someone called Hugh?
- paid by anonymous donor (Stephen Winyard? Brian Kennedy?)
- Some issues with Portugal legal system (not allowed to hire Private Investigators)
- Jane Tanner mentions CRG in her rogatory
