

Ocean Club Child Care facilities

The childcare facilities are divided into:

- [Baby Club](#) (children up to 11 months)
- [Toddler Club](#) - Toddlers 1 (Children between 1 and 2), Toddlers 2 (Children between 2 and 3)
- [Mini Club](#) (children between 3 and 5)
- [Junior Club](#) (children between 6 and 9)
- Kids Club (children between 10 and 13)
- Indies Club (children between 14 and 17)

Operating hours:

- Mornings: 9am-12.30pm
- Afternoons: 2.30-5.30pm
- Dining Out Service 7.30pm-11.30pm

(children are watched in a room above the main [Ocean Club](#) 24hour reception; there is no extra charge for this service but parents must take and fetch their own children)

- “Baby sitting Service”: 7.30pm-1am

(children are watched in their own apartments; there is an extra charge for this service)

The crèche is open every day, except for Saturdays, which is the day off for all the nannies. On Saturdays there is just a support service for any eventual need, involving two nannies.

Organisational structure

The organisational structure of the Ocean Club Child Care is a bit unclear, and child care workers seem to change from group to group. From the statements this is what can approximately be deduced:

Manager:

- [Lyndsay Johnson](#)

Head / Supervisor:

- [Amy Tierney](#) (Head of [Baby Club](#) and [Mini Club](#))
- [Stacey Portz](#) (Supervisor [Toddlers Club](#) and [Junior Club](#))

Leaders:

- [Catriona Baker](#) (play leader all groups)

Nannies / Educators:

- [Charlotte Pennington](#) (nanny [Baby Club](#))
- [Emma Wilding](#) (educator [Mini Club](#))
- [Jacqueline Williams](#) (educator / child care worker [Toddlers 1](#))
- [Kirsty Maryan](#) (educator [Junior Club](#))
- [Leanne Wagstaff](#) (nanny [Baby Club](#), [Toddlers 1](#) and [2](#), [Mini Club](#))
- [Lynne Fretter](#) (educator [Baby Club](#))
- [Pauline McCann](#) (educator / child care worker [Baby Club](#))
- [Sarah Williamson](#) (child care worker [Toddlers 2](#))
- [Shinead Vine](#) (nanny [Baby Club](#), [Toddlers 1](#) and [2](#), [Mini Club](#), [Junior Club](#) and [Indyes](#)).
- [Susan Owen](#) (educator [Toddlers 2](#))

Donna Louise Rafferty Hill, Manager of the Creche Staff for Mark Warner, advised the PJ of the following:

"The latter advised us that all these employees are English nationals and that they came to work in Portugal from March/April until November; that there are 13 people who work in the creche, their names and telephone numbers being as follows: [NOTE: Phone numbers withheld]

- Pauline Francis M.
- Emma Louise W.
- Sarah Elizabeth W.
- Susan bernadette O.
- Leanne Danielle W.
- Shinead Maria V.
- Jacqueline Mary W.
- Kirsty Louise M.
- Lynne R.F.
- Catriona Treasa Sisile B.
- Stacey P.
- Lyndsay Jayne J.
- Amy Ellen T.

"

It is interesting to note that **CHARLOTTE PENNINGTON** is missing from this list! For more see: → [PJ Files](#)

There has been speculation that Charlotte came as a nanny to one of the [Tapas 9](#). This cannot be substantiated.

Charlotte lived in Howick, New Zealand from when she was 18 months old. Kate McCann worked in a hospital in Howick, New Zealand in 1996. ([needs some more research](#)).

There are some **open questions** regarding the Creche Records, which were addressed nicely in the following article:

start of citation

With thanks to →[Jill Havern](#)/With thanks to 'Stella': **25 reasons to take a much closer look at the creche set-up**

- 1. Despite Cat's claims, why was there no ID bracelets photographed on any child before the 3rd?
- 2. Despite Cat's claims, why was AM & PM on one sheet instead of two separate ones?
- 3. [Charlotte Pennington](#) is missing from the list of crèche staff given to the PJ by Donna Hall of Mark Warner on the 4th.
- 4. Stacey Portz claimed that Gerry signed the twins in PM on the 3rd, but the crèche sheet says K McCann did.
- 5. Stacey Portz claimed that Kate collected the twins AM on the 3rd, but Fiona said Gerry did.
- 6. Robert Naylor's signatories are erratic and noticeably different every day.
- 7. Robert Naylor enters the wrong room number every day.
- 8. [Russell O'Brien](#) enters Emma instead of Ella for his daughter on the 1st.
- 9. Russell O'Brien enters the wrong room number 5B, on the 30th.
- 10. Russell O'Brien enters 5B again and changes it to 5D, twice on the 2nd.
- 11. Russell O'Brien enters R O'Brien, instead of his daughter's name PM on the 30th.
- 12. On enlarging the McCann & Naylor signatures, there are several identical writing styles starting from the 29th.
- 13. [Catriona Baker](#) for some reason starts entering 'Cat nanny' on the crèche sheets from the 1st.
- 14. [Madeleine](#) is signed in at 15.15 and out again at 15.30 by K McCann on the 30th.
- 15. [Kate's](#) signatures in the Jellyfish on the same day have straight 2's AM & curly 2's PM, suggesting two different people.
- 16. Kate enters **KM Healey instead of K McCann**, for the first and only time on the 2nd.
- 17. Kate does not attend the Lobsters group at all on the 1st.
- 18. PJ final report does not mention Shinead Vine, the twins carer almost every day, only Stacey Portz.
- 19. Catriona Baker makes a retraction from an earlier statement concerning Madeleine offering more attention to boys.
- 20. That particular Catriona Baker statement has been withheld by the PJ.
- 21. No member of staff can remember seeing Madeleine on the 28th, arrival day.
- 22. Catriona Baker claims the first time she met the McCann's was on the 29th.
- 23. Yet Catriona Baker claimed she had Madeleine's ID bracelet with allergy information ready, for when she first arrived.
- 24. PJ withholds twins crèche sheet, for AM on the 29th.
- 25. PJ withholds twins crèche sheet, for AM on the 3rd.

On the 18th April 2008, Cat was interviewed by [Leicestershire Police](#) over 3 separate sessions on the same day, in relation to her Rogatory Interview.

- 10.09 to 10.54 = 45 mins
- 11.57 to 12.12 = 15 mins
- 13.35 to 13.45 = 10 mins

It would appear that →[after the first session](#) and during the second, Cat needed to make a retraction;

"Between 11h57 and 12h12 of the same day I was again interviewed on DVD by DC GIERC. During this interview I was permitted to refresh my memory after reading my translated original statement made to the [Portuguese police](#). There are two facts that I would like to clarify: "dining out service" which is mentioned is available for the adults, being that the children would be left under the care of a childcare worker during dinner. My original deposition also mentioned that Madeleine offered more

attention to the boys in the club. I do not remember having made such an affirmation given that Madeleine passed the majority of time playing with [Jane Tanner](#)'s daughter. I confirm that the deposition in this second DVD is truthful and in accord with my knowledge and that it will be registered”.

The only other statement in the files →[available for Cat](#) is dated the 6th May 2007 and does NOT include any mention of Madeleine and boys. Which can only mean one thing, Cat must have made another statement sometime after the 6th May 2007 and it is being withheld by the [PJ](#). Bearing in mind that a lot of the nannies were almost immediately relocated to other countries, I wonder when and how this 'other' “*deposition*” came about? The reason I feel that this retraction is very important, is because the child suspected of replacing Madeleine in creche that week, has a brother.
